

# Lead at Speed with OneStream Splash 2022

[This article invite posting first appeared on the OneStream site](#)

May 23 – 26, 2022 | San Antonio, Texas

## A Week to Inspire, Educate, and Connect

The OneStream Splash™ Global User Conference and Partner Summit inspires, educates and connects finance and industry experts from around the globe. Join us May 23-26 in San Antonio, Texas for our annual User Conference and Partner Summit.

We hope you will join us to hear the latest on modernizing finance with OneStream's Intelligent Finance platform.

Registration opens January 25. [Register](#) early to get the best price.

OneStream's Splash Conference is an annual event focused around finance and industry experts, connecting them with each other, as well as the knowledge and tools they need to help their organizations lead at speed.

### Breakout Sessions

Join our experts for educational breakout sessions, where we discuss and teach about different features and functionality of the OneStream platform. [View Program](#)

### Splash Agenda

The OneStream Splash Global User Conference and Partner Summit is packed with lots of great content to help you lead at speed with your financial platform. Take a look at the full schedule for more details. [View Schedule](#)
