Earns 15 top rankings and 33 leading positions in four peer groups in The Planning Survey 22

May 31, 2022 11:29 AM Eastern Daylight Time

ROCHESTER, Mich. – [OneStream](#), a leader in corporate performance management (CPM) solutions for the world’s leading enterprises, announced it achieved exceptional results in the annual Planning Survey from the Business Application Research Center (BARC) in its four peer groups; Financial Planning & Consolidation-focused Products, Global Vendors, Large/Enterprise-Wide Implementations and Performance Management Specialists.

OneStream earned 15 top rankings and 33 leading positions in its four peer groups. The company was measured by several different KPIs including Price to Value, Vendor Support, Customer Satisfaction, Product Satisfaction, Data Integration, Functionality and Flexibility.

Additionally, the company received a 100 percent recommendation score from all surveyed users – remaining consistent with the same 100 percent score in 2021.

“OneStream’s outstanding performance in this year’s Planning Survey reinforces the vendor’s dedication to delivering 100% customer success. As a market-leading CPM platform, OneStream helps organizations improve employee productivity, increase transparency of planning and improve integration of planning with reporting and analysis. The platform’s comprehensive capabilities for financial consolidation and close, planning, budgeting and forecasting, reporting, analysis and financial data quality management – all in a single application – makes OneStream a modern, future-proof solution for organizations seeking digital transformation,” said Dr. Christian Fuchs, Senior Vice-President and Head of Data & Analytics Research at BARC.

Conducted from November 2021 to February 2022, The Planning Survey 22 compiled responses from 1,325 individuals analyzing 19 products or groups of products. The survey examines user feedback on planning product selection and usage across 33 criteria (KPIs) including Business Benefits, Project Success, Business Value, Recommendation, Customer Satisfaction, Customer Experience, Planning Functionality and Competitiveness.

“OneStream is honored to receive standout results again this year in The BARC Planning Survey,” said Tom Shea, CEO of OneStream. “This recognition reinforces our commitment to ensuring every customer is a reference, one success at a time, as finance leaders drive transformation within their organizations for agile, rapid and confident decision making. We’re honored for the OneStream platform to be recognized as best-in-class technology and remain dedicated in our partnership with customers to continue innovating and building upon our success to deliver exponential value.”
