

# OneStream Earns 100% Recommendation Score in BARC Planning Survey 2022

[This article was originally published on OneStreamSoftware.com by Jaclyn Proctor](#)

Finance leaders continue to face ongoing challenges and economic disruption in 2022. From inflation and supply chain challenges to the war on talent stemming from The Great Resignation, finance teams are tasked with navigating a constantly changing landscape. Using the right tools for their organization's unique needs can be the make-or-break factor to drive long-term success and differentiate from the competition.

But there is no one-size-fits-all solution. With so many options in the marketplace, how can you cut through the clutter to find the option that works best for your organization? Enter: The BARC Planning Survey 22, which leverages the feedback and experiences of your trusted peers in Corporate Finance to help you determine which solution best suits your organization's unique needs.

More About BARC: The Business Application Research Center

The Business Application Research Center (BARC) is an industry analyst and consulting firm for business software. BARC analysts have supported companies through strategy, organization, architecture, and software evaluations for more than 20 years. For more information, visit [www.barc-research.com](http://www.barc-research.com)

To support Corporate Finance teams, BARC covers the following critical areas:

- Business intelligence/analytics
- Data management
- Enterprise content management (ECM)
- Customer relationship management
- Enterprise resource planning (ERP)

BARC Planning Survey 22

The Planning Survey 22 is based on findings from the world's largest and most comprehensive survey of planning software users, examining user feedback on planning processes and product selection. Conducted from November 2021 to February 2022, The Planning Survey compiles responses from 1,325 individuals analyzing 19 products or groups of products in detail.

Specifically, the survey examines user feedback on planning product selection and usage across 33 key performance indicators (KPIs) including

## Laser-Focused on Customer Success

OneStream's corporate mission is to deliver customer success, ensuring every customer is a reference – one success at a time. As we remain dedicated to this mission, we're honored to earn a 100% recommendation score from all surveyed users for the second consecutive year.

Furthermore, OneStream earned 15 top rankings (see Figure 1) across four different peer groups. The company was measured across several different KPIs, including:

- Vendor support
- Price to value
- Workflow
- Functionality
- Competitive win rate
- [Data integration](#)
- [Planning content](#)
- [Forecasting](#)
- [Reporting & analysis](#)
