ROCHESTER, Mich.-(BUSINESS WIRE)-Today, [OneStream](#) announced that professional services firm KPMG in Canada has been recognized as a Power of the Platform Award winner at the 2022 Splash Global User Conference and Partner Summit. The Power of the Platform Award recognizes the top OneStream Global Advisory Program partner who has truly extended the OneStream platform for customers over the past year across North America, Latin America and APAC.

“This award highlights our dedicated partners, who serve as trusted advisors that strive to deliver customer success, helping customers to unleash the power of finance through the OneStream platform and drive long-term growth.”

OneStream provides an Intelligent Finance Platform for the modern enterprise that simplifies and aligns corporate performance management processes such as financial consolidation, reporting, planning and analytics. OneStream’s platform can easily be extended with over 50 financial close, planning and analysis, and productivity solutions. OneStream’s annual [Splash](#) conference brings together finance experts, OneStream staff, customers, and partners from around the globe to learn about new innovations, share best practices, review customer successes, and gain hands-on training.

“We are thrilled to announce KPMG in Canada as a 2022 Power of the Platform Award winner,” said Stephanie Cramp, Senior Vice President, Global Alliances at OneStream. “This award highlights our dedicated partners, who serve as trusted advisors that strive to deliver customer success, helping customers to unleash the power of finance through the OneStream platform and drive long-term growth.”

KPMG in Canada, a full-service consulting, accounting, auditing, and tax firm, won the Power of the Platform Award for effectively implementing the OneStream solution at a Canadian Private Equity company and transforming their consolidation, financial planning & analysis, and workforce analysis.

“We are honored to receive this recognition for the quality work we perform day in and day out for our clients,” says Kevin Moody, Partner, Management Consulting for KPMG in Canada. “We collaborated with OneStream and our client to deliver a robust corporate performance management solution that brings transparency and dependability in creation of consolidated financial statements, enabling the private equity company to have dynamic financial planning and consistent reporting.”

Some of the key benefits achieved as a result include:

1. Modernizing the close and financial reporting process within a modern cloud platform to save time and effort during financial close periods
2. Getting planning and analysis out of Excel into a modern cloud platform to support corporate decision making
3. Providing improved insight into people related planning
4. Creating a common version of the truth for actuals and plan
