OneStream Receives Top Rankings and a 100% Recommendation Score

The Planning Survey 22 is based on findings from the world's largest and most comprehensive survey of planning software users, conducted from November 2021 to February 2022. In total, 1,325 people responded to the survey with answering a series of detailed questions about their use of a named product. Altogether, 19 products (or groups of products) are analyzed in detail.

The survey examines user feedback on planning product selection and usage across 33 criteria (KPIs) including Business Benefits, Project Success, Business Value, Recommendation, Customer Satisfaction, Customer Experience, Planning Functionality and Competitiveness.
