Foundation Series: Extensibility

August 15, 2022 | Season 1 - Episode 4

This episode is part of the OneStream Foundation Series and focuses on the topic of Extensibility. Joining Peter Fugere is Tami Chuang, Senior Solution Consultant, Demo Architect Team at OneStream. Together they will discuss what Extensibility is and how it can be used in real world environments. Peter and Tami will also explain how Extensible Dimensionality can provide a more detailed line of business planning and reporting.
